

To whom it may concern,

It is with great prayer and excitement that we as a church have affirmed, the calling on the Dunlop family to church planting and gospel advancement in France. The Dunlop family have been faithful members of Palmetto Baptist Church for over 4 years.

The Dunlops have a teachable spirit and have humbly served in any area they have been asked to serve. Michael serves as ministry leader for missionary correspondence where he has led monthly Mission Prayer Nights. Michael is also a dedicated student of the Word and has applied himself to theological studies at Bob Jones Seminary.

They have the support of our Pastoral Team and the congregation at PBC and we look forward to the gospel impact they will have in France.
